TANK MIX SHEET

Cereals

AURELIA®

The following tank-mixes are supported for physical compatibility with AURELIA at recommended rates of use and will mix in the sprayer tank.

No tests have been undertaken on crop safety or product performance. Use is at user's own risk.

AURELIA may be tank-mixed with one listed herbicide or PGR plus one of the listed insecticides from the following tables.

In addition, AZOXYSTAR may be added to the products marked with \*.

Before using any tank mixture, consult and comply with the recommendations of the partner products. Each product should be added separately to the bulk of the water in the spray tank and thoroughly mixed before adding the next chemical.

Always use constant agitation of the sprayer tank during mixing, transportation and application. Spray immediately.

## **PLEASE NOTE:**

FUNIQUEIRES
